WKSRA is a children's nonprofit organization. WKSRA relies solely on volunteers to make each event run safe and smoothly. All members are expected to sign up at registration to volunteer for at least two classes as stagers, corner help, flagging, and/or scoring, and help with setting up and tearing down of the track. WKSRA encourages and appreciates leads for sponsorships, program advertisers, or goodie bag donations. We ask that all families conduct themselves in a way that provides the children with a fun, safe, and positive racing experience. Members agree to carry and maintain health insurance for drivers and participating parties who are on the racetrack, in the race pits, or any areas of the sanctioned race event. Members are expected to follow all rules as outlined in the ISR and WKSRA rulebooks. I have read and agree to the terms and expectations put forth in this membership application:
